Speak Up, Stay Safe

We all play a role in keeping our schools safe and secure. If you notice any suspicious activity, be prepared to give a detailed report to school staff and the authorities. Pay close attention to things like: what, specifically, you observed; who you saw; when and where you saw it; and why it seemed suspicious. Being able to provide details of what you observed will help school staff and the authorities as they work to keep our schools and students safe. Please report any suspicious activity noted in the vicinity of schools to the Frederick County Sheriff's Office at 540-662-6168.

Registration for Next Year's Classes Begins

Registration for next year's classes starts this week and continues until February 2nd. Encourage your student to explore the Program of Studies located online for electives choices. Once requests are all in, you will receive a letter with your child's class choices. At that time you can make any changes to those requests. Schedule changes can be made up until the last day of the school year.

Seniors

If you are continuing your education after high school, continue to look for scholarships - many are posted on the Sherando website under the School Counseling link.

If you are planning to go to LFCC next year, be sure to meet with Mr. Bucher so he can assist you with the process. The LFCC Scholarship application is now open.

Juniors

If you plan to go to college, be sure to sign up for an SAT or ACT this spring. See your counselor for information.

Sophomores

In the next few months, counselors will be meeting individually with sophomores to review their high school plan, discuss career plans and the pathways to those careers.

Freshmen

Choose your classes wisely for next school year. Look at the Program of Studies to see which elective classes match your interests and maybe careers in which you may have an interest.
